STATE OF CALIFORNIA  
DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

**TERMINAL MANAGER'S COMPLIANCE CHECKLIST**  
CHP 800D (Rev 01-07) OPI 062

The following checklist and other general information are provided to assist motor carriers whose California terminals are subject to inspection by the Department of the California Highway Patrol pursuant to Vehicle Code Section 34501 or 34501.12. Any motor carrier, as defined in Vehicle Code Section 408 and/or Section 34501.12(a), can improve its ability to pass such inspections by closely examining its own operations in the light of the following checklist.

**ABBREVIATIONS USED ARE AS FOLLOWS:**

<b>13 CCR:</b> Title 13, California Code of Regulations	<b>DMV:</b> Department of Motor Vehicles
<b>49 CFR:</b> Title 49, Code of Federal Regulations	<b>EPN:</b> Pull Notice Program
<b>BIT:</b> Biennial Inspection of Terminals	<b>PUC:</b> Public Utilities Commission
<b>CHP:</b> California Highway Patrol	<b>VC:</b> California Vehicle Code
<b>CMV:</b> Commercial Motor Vehicle	<b>USDOT:</b> U. S. Department of Transportation

**NOTE:** Compliance with federal regulations governing testing of drivers for use of controlled substances and abuse of alcohol is also required, but is evaluated separately from all other matters. See 34520 VC and 49 CFR Part 382 for information regarding this issue. The CHP also publishes a checklist similar to this one titled CHP 800F, Controlled Substances and Alcohol Testing Compliance Checklist.

**DRIVER RECORDS - NEW DRIVERS**

1. Do you obtain a DMV report showing a prospective driver's current driving record prior to allowing him/her to drive a vehicle listed in VC 34500? VC 1808.1(a)
2. Before you use a driver, is his/her DMV driving record reviewed? VC 1808.1(a)
3. Is a copy of a driver's current DMV driving record signed, dated, and retained until receipt of his/her EPN record? VC 1808.1(a)

**DRIVER RECORDS - EPN**

4. Are all your company's drivers enrolled in the EPN including managers, supervisors, family members, or anyone else who may at any time drive a vehicle that requires the driver to have a class A or class B driver license or any special driving certificate, or an endorsement to transport hazardous materials with a class C license? VC 1808.1(b)) See also VC 34501.12(h)(2)(B)
5. Do you have a current pull notice record on file for each of your drivers? VC 1808.1(c)
6. Have EPN records been examined to verify that each employee's driver license has not been suspended or revoked; to

STATE OF CALIFORNIA  
DEPARTMENT OF CALIFORNIA HIGHWAY PATROL  
**CONTROLLED SUBSTANCES AND ALCOHOL TESTING COMPLIANCE CHECKLIST**  
CHP 800F (Rev 01-07) OPI 062

The following checklist and other general information are provided to assist motor carriers subject to inspection by the Department of the California Highway Patrol (CHP) pursuant to Vehicle Code Section 34501, specifically with respect to the testing of commercial motor vehicle drivers for use of controlled substances and abuse of alcohol. The CHP enforces the federal regulations found in Title 49, Code of Federal Regulations (49 CFR), Part 382. Vehicle Code Section 34520 applies those federal regulations to every driver who is required to maintain a commercial driver license to operate a commercial motor vehicle, and to employers of those drivers, as defined in the federal regulations. See 49 CFR 382.103 to determine applicability. Motor carriers can improve their ability to pass such inspections by closely examining their own operations in the light of the following checklist.

**ABBREVIATIONS USED**

<b>13 CCR:</b> Title 13, California Code of Regulations	<b>DMV:</b> Department of Motor Vehicles
<b>49 CFR:</b> Title 49, Code of Federal Regulations	<b>FMCSA:</b> Federal Motor Carrier Safety Administration
<b>CHP:</b> California Highway Patrol	<b>VC:</b> (California) Vehicle Code
<b>CMV:</b> Commercial Motor Vehicle	<b>USDOT:</b> United States Department of Transportation

**DRIVER RECORDS - CONTROLLED SUBSTANCES AND ALCOHOL TESTING**

1. Do you ensure that all required controlled substances and alcohol testing of CMV drivers complies with the procedures set forth in 49 CFR 40? *49 CFR 382.105*
2. Before performing a controlled substances or alcohol test, is the individual notified that the test is required by the FMCSA and California law? *49 CFR 382.113, VC 34520*
3. Are drivers who refuse to submit to required controlled substances or alcohol tests immediately removed from safety-sensitive functions? *49 CFR 382.211*
4. Do you prohibit drivers who have tested positive for a controlled substance or have a breath alcohol concentration of 0.02 or above by test, or who have refused to be tested, from performing safety-sensitive functions? *49 CFR 382.215*
5. Do you advise each of your drivers, at the time of hiring and again annually, of the prohibition against operating a CMV with a breath alcohol concentration of 0.01 or above? *VC 34501.16*
6. Have you advised each of your drivers of the prohibitions against using alcohol while on duty? *49 CFR 382.205*
7. Have you advised each of your drivers of the prohibitions against performing safety-sensitive functions within 4 hours of using alcohol? *49 CFR 382.207*
8. Have you advised each of your drivers of the prohibitions against being on duty or operating a CMV while in the possession of unmanifested alcohol that is not being transported as part of the shipment, or is possessed or used by bus passengers?

## Welcome to the online source for the California Code of Regulations

**13 CA ADC § 1233**  
§ 1233. Safety Compliance Ratings.

Term  
13 CCR § 1233  
Cal. Admin. Code tit. 13, § 1233

Barclays Official California Code of Regulations [Currentness](#)  
Title 13. Motor Vehicles  
Division 2. Department of the California Highway Patrol  
Chapter 6.5. Motor Carrier Safety [FNA1](#)  
Article 6. Carrier Requirements [Refs & Annos](#)

[FNA1](#) Formerly Subchapter 6, Article 2 (Sections 1210-1230, not consecutive).

➔ **§ 1233. Safety Compliance Ratings.**

(a) Definitions of Safety Compliance Ratings. Compliance ratings shall have the following meanings:

- (1) Satisfactory. A satisfactory rating means compliance with applicable laws and regulations or only minor discrepancies in statutory or regulatory requirements were noted, and overall compliance was within reasonable bounds.
- (2) Unsatisfactory. An unsatisfactory rating means a continued disregard of statutory or regulatory requirements, a finding of numerous violations, a finding of serious violations that adversely affect the safe operation of vehicles, or a lack of compliance with hazardous materials shipping or carriage requirements.
- (3) Conditional. A conditional rating means there was a previous rating of "unsatisfactory;" and the carrier, terminal, facility or shipper has been reinspected and compliance is no longer necessarily "unsatisfactory," but that actual compliance cannot be determined. A follow-up inspection will be conducted to determine compliance.

(b) Inspections by the Department.

- (1) Motor carriers. Motor carriers are inspected by the Department at their principal places of business and assigned safety compliance ratings which reflect each motor carrier's overall compliance with the requirements of Vehicle Code Section 34520.
- (2) Motor carrier terminals and maintenance facilities. Motor carrier terminals and maintenance facilities are inspected by the Department pursuant to Vehicle Code Sections 34501(a)(4), 34501(c), and 34501.12(d) and assigned safety compliance ratings which reflect each terminal's overall compliance with the laws and regulations governing drivers' hours of service, vehicle condition, preventive maintenance practices, hazardous materials carriage, and records required by statute or regulation.
- (3) Hazardous materials shippers. Hazardous materials shippers are inspected by the Department and are assigned safety compliance ratings which reflect each shipper's overall compliance with laws and regulations governing the packaging, description, marking, labeling, offering and other requirements of the United States Department of Transportation governing the transportation of hazardous materials, including any exceptions contained in state law or regulation.

(c) Assignment of Safety Compliance Ratings. The Department's evaluation of the motor carrier's, terminal's, or hazardous materials shipper's potential for overall safety shall be the final determining factor in the rating assigned.

(d) Rating Review. Any motor carrier, or shipper who receives an unsatisfactory rating and believes the rating is not justified, may, within five calendar days following the assignment of the rating, request a review of the rating by contacting the Department at the telephone number indicated on the inspection report. The sole purpose of the rating review is to determine whether the inspection and its findings are consistent with laws, regulations, and Department policy in effect at the time of the inspection. A rating review is not for the purpose of evaluating any corrective

## Motor Carrier Property Permit MCP Information

The Motor Carrier Services Branch (MCSB) established an Operations Unit to process the "Application for Motor Carrier Permit" (DMV 706 MCP), fees, and issues a renewal notice annually to all active MCP holders 75 days prior to the expiration of their permit. It is the Motor Carrier Permit Operations Unit's goal to issue a renewal notice within 48 hours of receiving the application and fees if all requirements have been met.

The MCP Operations Unit staff is available to answer your telephone calls Monday, Tuesday, Thursday, and Friday from 8:00 a.m. to 5:00 p.m., and Wednesday from 8:00 a.m. to 9:00 a.m. The hours between 8:00 a.m. and 9:00 a.m. are set aside for training of staff.

The Automated Voice Response (AVR) phone system is available 24-hours a day, 7-days a week. The AVR system provides basic information including:

- The definition of an MCP and who is required to have one.
- Requirements to obtain an MCP.
- Insurance requirements and the levels of insurance required.
- The option to request forms.
- List of "active" motor carriers. ←

The MCP Operations Unit is dedicated to answering all inquiries regarding the Motor Carrier Permit program and/or related programs. To obtain information or for more information, call (916) 657-8153. Mail your application and fees, and all other MCP-related correspondence to:

Department of Motor Vehicles  
Registration Operation Division - G875  
P.O. Box 932370  
Sacramento, CA 94232-3700

Overnight mail may be sent to:

### Who Must Comply

Most drivers must follow the HOS Regulations if they drive a commercial motor vehicle, or CMV.

**In general, a CMV is a vehicle that is used as part of a business and is involved in interstate commerce and fits any of these descriptions:**

- Weighs 10,001 pounds or more
- Has a gross vehicle weight rating or gross combination weight rating of 10,001 pounds or more
- Is designed or used to transport 16 or more passengers (including the driver) not for compensation
- Is designed or used to transport 9 or more passengers (including the driver) for compensation
- A vehicle that is involved in Interstate or intrastate commerce and is transporting hazardous materials in a quantity requiring placards is also considered a CMV

## EXAMPLE 1: 14-Hour Driving Window

Day 1

**Violations:** There are no violations in this example.

**Explanation:** This is an example of the 14 consecutive-hour “driving window.” After 10 consecutive hours off duty, the driver had 14 hours available and started his/her driving window at Midnight on Day 1. At 2:00 p.m., the driver had reached the end of the 14-hour window (10 hours driving; 3 hours on duty; 1 hour off duty). The driver may not drive a CMV once he or she has reached the end of the 14 consecutive-hour period (unless a 16-hour day is available [Section 395.1(o)]), and in this example the driver goes off duty for the required 10 consecutive hours starting at 2:00 p.m. on Day 1.

The California Highway Patrol is authorized by the California Vehicle Code to adopt and enforce such rules and regulations as may be necessary to carry out the duties of the department. These rules and regulations are subject to the procedures contained in the California Government Code and as specified by the California Office of Administrative Law. Regulations adopted by the department are contained in [Title 13, California Code of Regulations](#).

Questions regarding existing regulations adopted by the department may be addressed to the Office of Public Affairs or Commercial Vehicle Section.

Any interested person may submit written comments on proposed regulatory actions via any of the following means:

- Facsimile to (916) 322-3154
- Electronic mail to [cvsregs@chp.ca.gov](mailto:cvsregs@chp.ca.gov)
- U.S. Postal Service mail to the California Highway Patrol, Enforcement Services Division, P.O. Box 942898, Sacramento, CA 94298-0001.

All comments should be directed to the attention of the contact person or persons listed for each regulatory action, and should include the "CHP-R" number of the regulatory proposal. The Department regrets that verbal comments via telephone cannot be accepted.

Persons who furnish written comments on proposed regulatory actions may request that a copy of the final statement of reasons be provided to them when the proposed action is completed.

### **COMMERCIAL VEHICLE SAFETY ALLIANCE, NORTH AMERICAN STANDARD OUT-OF-SERVICE CRITERIA (CHP-R-11-08)**

#### **PROBLEM**

Current regulations, adopted by reference, major portions of the Commercial Vehicle Safety Alliance, North American Standard Out-of-Service Criteria, April 1, 2010, Edition. This criteria outlines conditions by which a commercial vehicle may be placed out of service as a result of an inspection by an authorized representative of the California Highway Patrol (CHP). California Highway Patrol personnel utilize these criteria for determining whether or not a vehicle, its cargo and/or driver is in such an unsafe condition that they are likely to constitute a hazard on a highway and, therefore, should be placed out of service. The Commercial Vehicle Safety Alliance reviews and updates the criteria annually, and in order to remain consistent the CHP must update its regulations to reflect the most current out-of-service criteria available.

#### **PURPOSE OF REGULATIONS**

The CHP proposes to update the incorporation by reference of the Commercial Vehicle

(b) ***Incorporation by Reference.*** This article incorporates by reference portions of the Commercial Vehicle Safety Alliance North American Standard Out-of-Service Criteria including Part I (with the exception of those items related to communication, and Skill Performance Evaluation Certificate), Part II, Part III, and Part IV. All references to the Commercial Vehicle Safety Alliance North American Standard Out-of-Service Criteria in this article are those criteria published on April 1, 2010 1.

(c) ***Availability of Referenced Criteria.*** Copies of the Commercial Vehicle Safety Alliance North American Standard Out-of-Service Criteria can be obtained from:
